Materials list

+ **2 pre-stretched canvasses** (no less than 100 x 70 cm but it can definitely be bigger!) Depending on how fast you paint, you might need to bring another canvas to the course.

At least 120 ml of paint per color* (any shade) in red, yellow, blue, black, titanium white (heavy-bodied is best) plus any two colors you really love and maybe one metallic color (copper or gold).

It would also be great if you could bring any shade of green, purple and orange (although of course you can mix these yourself if you prefer). Feel free to also bring any other colors you really love.

**Choose paint brands based on your budget. Expensive paints are not necessary for this course. I also have a lot you can use.*

3 bristle brushes for detailed work. Cheap ones are fine. Just make sure you have at least one very pointed brush.

3 foam brushes (wooden handled with the grey foam square from the paint section at a hardware store): 2 small brushes and 1 large brush

A few rags

Apron and/or comfy paint clothes (this is a pretty messy process!)

A palette to hold your paint – the bigger the better. I use palette paper which you can buy in the painting store. A large cookie sheet or an old muffin tin will also work well.

An open heart and mind!
